

GREEN ARTS CONFERENCE

8 OCTOBER 2019, EDINBURGH

**GREEN STALLHOLDER
OPPORTUNITIES**

THE GREEN ARTS CONFERENCE

The Green Arts Conference is the flagship event of the Green Arts Initiative, a network facilitated by Creative Carbon Scotland of over 200 arts organisations across Scotland working to reduce their environmental impact. The conference is an opportunity for around 150 attendees from our member organisations to come together to hear talks, share good practice, and make contacts.

GREEN STALLHOLDERS

We will be hosting a small number of spaces for stallholders in the central gathering space for the event and are looking to showcase the green suppliers and support organisations that are a key part of building a more sustainable cultural sector. It is a great opportunity to promote your business to cultural organisations who are in search of more sustainable practices. The small fee for participating as a Green Stallholder also helps us fund the conference and support our societal shift to sustainability.

GREEN STAR

Conference Stall Presence: opportunity to promote your services in the central gathering space for the event during the day, including table and power supply

Conference attendance: one free ticket to the conference that allows you to participate in all conference activities

Social Media Promotion: we will highlight your support on Facebook, Twitter, and Instagram in the build up to the event and on-the-day

Networking opportunity: mix with attendees and invited guests during sessions, breaks and at the end of day reception

£100

GREEN GIANT

All *Green Star* benefits, plus additional opportunities to connect with cultural Green Champions:

Brand visibility: your logo included in all promotional material, with summary description included in the conference programme and conference report.

Speaking opportunity: host a 30 minute session during the conference on how your organisation can help the Green Arts, with support from Creative Carbon Scotland

£200
